

GEMSWAX AUTOPOLISH

TECHNICAL DATA SHEET

PRODUCT DESCRIPTION

Self-polishing varnish formulated with the highest quality components. It does not yellow, exceptional for corners, edges or where mechanical polishing is very difficult. Quickly dry.

APPLICATION

Apply with buffer on a adequately smooth surface. Distributed the product uniformly. On porous marbles more than one application is required with a gap of 5 minutes between.

HEALTH & SAFETY

Read Safety Data Sheet before handling or using this product.

STORAGE

If stored in dry and cool condition (5-25°C/41-77°F) in its closed original container at least 12 months from production. Use open containers as quick as possible.

IMPORTANT NOTICE

The above information is based on the latest stage of development and application technology. Due to a multiplicity of different influencing factors, this information, as well as other oral or written technical advises, must be considered as non-binding hints.

The user is obliged in each particular case to conduct performance tests, including but not limited to trails of the product, in an inconspicuous area or fabrication of a sample piece.

MECHANICAL PROPERTY

Technical Note

Specific weight: 1,40 g/cm³ +/-0,05

Colour: Transparent

Aspect: Liquid

Consumption: 20-30 mq/lt

Outdoor aging test: it has exceeded 12 months outdoors without alterations
