

GEMSREMOVER SMACREAM

**WATER BASED SURFACE CLEANING CREAM
FOR QUARTZ, GRANITE AND MARBLE**

TECHNICAL DATA SHEET

PRODUCT DESCRIPTION

Ideal for all types of flooring and work and counter top surfaces marble, granite, natural stone, porcelain, ceramics, terrazzo, artificial quartz engineered stone and micro marble surfaces.

- Effective for all polished and honed Flooring Kitchen, Bathroom, Table and Bar Counter Tops, Fireplaces, Window sills, Floor surfaces.
- Domestic and Commercial Interior and Exterior use.
- Effective on Honed and Polished surfaces.
- Ideal for cleaning wash basins and taps.

GemsRemover SmaCream specially developed formula removing stubborn dirt and residues, using tiny particles to penetrate into the small surface pores where it can effectively work to remove stubborn surface marks where normal detergents cannot succeed. Product will remove factory applied waxes and surface coating sealers including light grout and epoxy residues. Product is not toxic, not flammable or acidic.

IMPORTANT SAFETY NOTE

Use appropriate gloves in case of sensitive skin. Keep product bottle well closed and out of reach of children. Additional information available on Material Safety Data Sheet.

STORE: Dry surroundings above + 0°C

Anyone, before use, is required to inquire about the characteristics of the products by reading the label affixed to each package, the technical data sheet and the safety data sheet, or possibly by contacting us directly; however, we recommend that you strictly follow the instructions given or received.

We also recommend carrying out a preliminary sampling to detect any unexpected results with respect to the method of application or the quality of the result.

The yield varies from 1 to 10 m² of surface with one liter of product.

GEMSREMOVER SMACREAM

**WATER BASED SURFACE CLEANING CREAM
FOR QUARTZ, GRANITE AND MARBLE**

APPLICATION

Shake product well before use.
Test small area: Determine your desired result by testing a discreet area. Before application on floors sweep, or vacuum to remove any loose debris ready to apply product. In the case of work tops wipe away any surface crumbs or general dirt.

WORK COUNTER TOPS (Kitchen- Bathroom – Bars – Fireplaces): using a damp cloth remove any excess surface dirt. Pre wet surface with small amount of water and apply and proceed to agitate using a white nylon pad in circular movements until you have cleaned your surface. Rinse thoroughly with clean water and using a clean cloth to remove excess dirt/residues.

If necessary repeat process for best results. In case of extremely stubborn marks GemsRemover SmaCream can be used pure without water and as before thoroughly rinse with clean water and using a clean cloth to remove all residues.

STORAGE

If stored in dry and cool condition (5-25°C/41-77°F) in its closed original container at least 12 months from production. Use open containers as quick as possible.

HEALTH & SAFETY

Read Safety Data Sheet before handling or using this product.

IMPORTANT NOTICE

The above information is based on the latest stage of development and application technology. Due to a multiplicity of different influencing factors, this information, as well as other oral or written technical advises, must be considered as non-binding hints.

The user is obliged in each particular case to conduct performance tests, including but not limited to trials of the product, in an inconspicuous area or fabrication of a sample piece.
